Summer 2022 Research Internships at ERATOSTHENES Center of Excellence of the CYPRUS UNIVERSITY OF TECHNOLOGY

ERATOSTHENES Centre of Excellence of the Cyprus University of Technology announces **8 (eight) Research Internship Positions (Summer Internship – Undergraduate Research Opportunities Program)** for the summer period 2022 for undergraduate students.

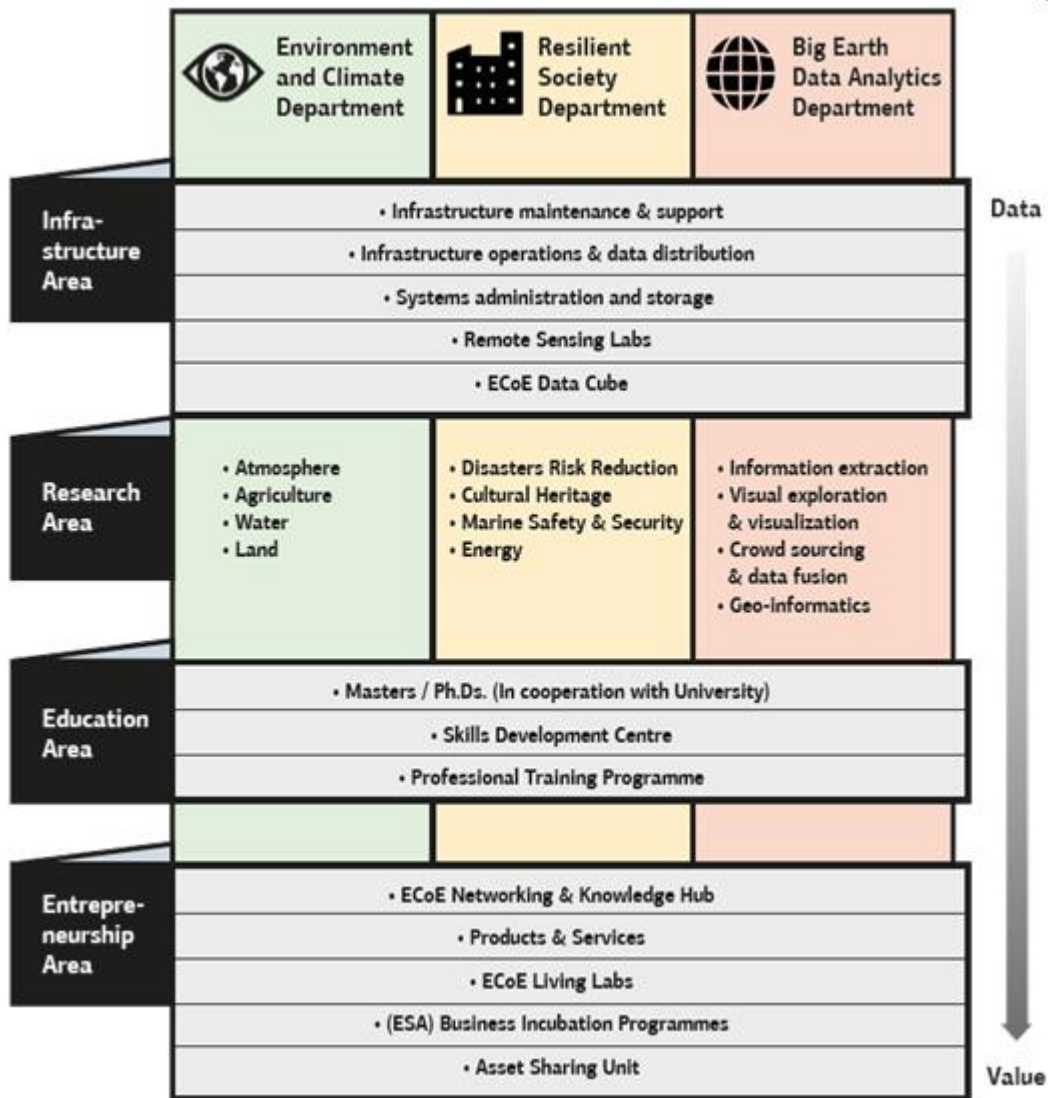

ERATOSTHENES Centre of Excellence of the Cyprus University of Technology focuses on conducting basic and applied research in the fields of remote sensing, environmental space monitoring and geoinformatics. As a Digital Innovation Hub, ERATOSTHENES Centre of Excellence adopts a two-axis model. According to the vision of the Center of Excellence, the horizontal axis consists of three Research Departments:

- **Environment and climate** (atmosphere, agriculture, water, land),
- **Resilient society** (Disaster risk reduction, cultural heritage, safety and security at sea, energy)
- **Big Earth Data Analytics** (information extraction, visual exploration and visualization, imaging, crowdsourcing and data fusion, geoinformatics).

The vertical axis consists of four functional areas:

- **Infrastructure,**
- **Research,**
- **Education, and**
- **Entrepreneurship.**

ERATOSTHENES Centre of Excellence focuses on research excellence in five application areas: climate change monitoring, water resources management, disaster risk reduction, energy access, and big Earth observation data analytics.

The successful applicant will be working with the academic and research staff of the ERATOSTHENES Centre of Excellence on research programs and subjects of the Centre as referred to above. The positions are open to students from all fields that believe that they can work and contribute to scientific research programs and subjects of the Centre.

The working hours and period are flexible. The applicant must be available for 4 to 8 weeks (between 6 June and 29 July 2022 and/or 5 September and 30 September 2022).

Applicants should **submit** via **email** to hrmanager@eratosthenes.org.cy using the subject line “**Application: ERATOSTHENES Summer 2022 Internship Program**”, the following documents:

1. A Curriculum Vitae
2. University Transcripts
3. Contact information
4. Availability dates

ELIGIBILITY CRITERIA

Applicants must be able to work in ERATOSTHENES premises in Limassol and must be:

- Undergraduate students (BA, BSc)

For non-EU applicants, an entry visa and/or work permit may be required

Application deadline: ~~29 April 2022~~ 6 May 2022
